The airport is serviced by Air Canada, Alaska Airlines, Allegiant Air, American, Boutique Air, British Airways, Condor, Contour, Delta, Jet Blue, Southern Airways, Southwest, Spirit, Sunwing, United, Virgin, WOW, and EXtra.

Though [Reagan National Airport](#) (DCA) and [Dulles](#) (IAD) are only about an hour and fifteen minutes to an hour and thirty minutes from the hotel, public transportation is complicated and van service is expensive. For these reasons, we highly recommend flying into BWI.

### ✎ Shuttle Service:

Airport shuttles depart from BWI Zone 4. Super Shuttle can be [booked online](#); current rates are approximately \$15-25 for a shared or non-stop ride from BWI to the hotel.

### ✎ App-based ride services:

App-based ride services (Uber, Lyft) are available between BWI Marshall Airport and passenger-specified locations. App-based ride services pick up and drop off passengers at the terminal curbs on the Departures/Ticketing Level between doors 9 and 11. Fare to downtown Baltimore is approximately \$20-25.

### ✎ Public Transportation:

MTA Light Rail service is available to downtown Baltimore from BWI. The fare is \$1.60 each way and travel time is approximately 30 minutes. The BWI Marshall Airport Light Rail Station is located immediately outside the lower level of the terminal building, adjacent to Concourse E. Depart at the Lexington Market stop, which is approximately 5 blocks from the Radisson Hotel (turn right when departing the train). **Note:** Though cheap and convenient, this option is only recommended during daylight hours (or before 7pm); the

Lexington Market station is a popular destination, but located just beyond the edge of the central business district.
