2020 Silent Auction

The Silent Auction has become an eagerly anticipated event at the annual conferences. Each year, hundreds of items are offered for sale to the highest bidders. Books, CDs, vintage records, music memorabilia, audio products and services, and related items are all available, and incredible bargains can often be had! Bidding will close on Saturday morning and you must be present to collect and pay for any items that you've won. There will be a “Buy It Now” option for selected items which you may pay for at the registration desk at any time.

All ARSC members and vendors are encouraged to donate one or more items to be auctioned off to the highest bidder - this is a great way to support ARSC (a non-profit, 501.C.3 organization) and will make our exhibit room a lively place. Unsold items will not be returned to donors unless you are available at the close of the auction to pick them up.

If you are willing to donate items, please bring them with you to the conference. If you wish to ship them to Montreal from outside of Canada, FedEx is recommended. Please note the following regarding payment of duties and taxes:

When completing FedEx Express® or FedEx Ground® International shipping labels, you must select the shipper as the party responsible for payment of any duties and taxes. If no party is selected on the label, the recipient (McGill University) will default as the responsible party. If that occurs, McGill University will refuse the shipment. If you have a valid FedEx account number or a FedEx account in good standing, this process should be simplified since any adjustments can be billed directly to your account. Whichever company or service you use to ship items, please confer with the agent to ensure that all boxes are correctly labeled, required paperwork is attached, and duties and taxes paid in advance.

Please ship packages to Houman Behzadi at the address below (label the box "ARSC Silent Auction"- items must arrive by May 15). Bid sheets should be inserted in each item; you may specify minimum bids. If you have additional questions, please contact: Brenda Nelson-Strauss (bnelsons [at] indiana.edu).
