

ARSC MONOGRAPHIC PROGRAM PUBLICATION NOTICE

Richard Sears's V-Discs: A History and Discography, the first in a series of books to be published under the auspices of ARSC, will be issued by Greenwood Press in December 1980. V-Discs is an exhaustive survey of all facets of the World War II program for servicemen overseas. It includes a comprehensive history of the V-Disc recording program, its participants, and a definitive, annotated discography listing all V-Discs issued by the Army and Navy as well as details on unpublished discs.

The publication price for non-members of ARSC will be \$67.50. Members in good standing of ARSC will receive a 25% discount; an order form which can be returned to Greenwood Press for members buying at the discount price will be distributed in the 1981 conference mailing scheduled for February 1981.
