July 1975

Dear Members:

You should all have the preliminary Conference Schedule by now. Notice that the first jointly sponsored session of IASA/ARSC begins at 9 AM, Tuesday, August 19. From that point, the programs are spaced to afford ARSC members the opportunity to attend meetings of the international associations. Full advantage should be taken of this opportunity to meet compatriots from other countries. Cooperation among institutions and individuals begins with personal contacts at such conferences. So that members of ARSC, collectors, and other interested persons might have a place to meet and exchange information and material, a meeting room in the McGill University Residence Hall has been reserved.

ARSC board meetings will take place Tuesday, August 19, 11:00 to 13:00 and/or Wednesday, August 20, 11:00 to 13:00, whichever affords a quorum of board members earlier.

A member of the collecting community of Montreal will furnish a list of collectors and their specialties. Most recordings of value existing in Montreal are owned privately.

Montreal is beautiful in August; see you there.

Sincerely,

RBC  
President
