

EDITOR'S NOTES

This issue of the ARSC Journal marks a change of editor. Jerry Gibson, who has occupied this post since 1972, became President of the Association last February at our Annual Meeting in Palo Alto, Calif. As new Editor I salute Jerry and wish him well with his new responsibilities. His shoes will be hard to fill.

1977 brings a special event for ARSC members-- the centennial of the Edison phonograph. With the help of the National Park Service ARSC will be joining in the celebrations by holding its annual meeting at the Edison Historical Site, East Orange, New Jersey, March 30 thru April 2, 1977. ARSC members and friends will want to plan accordingly.
