Everything is Precarious: Strategies for navigating the archival job market in 2020 and beyond  
Featuring guest speaker Snowden Becker

November 2, 2020, 11:00 AM - Noon, PST/2PM - 3PM EST

Topics covered will include advice and resources for launching your career in media preservation, moving across disciplinary boundaries or job sectors, and putting your best foot forward when you're ready to take your next professional steps. This program is free and open to the public.
